PROPEL

YOUR BUSINESS TO THE NEXT LEVEL

RUN A SMARTER, FASTER, MORE CONNECTED BUSINESS WITH SAGE 200c.

Inspired by you, Sage 200c is the powerful, better-connected Sage 200, with supercharged features to propel you and your customers' businesses to the next level.

Your customers will be able to manage accounts, manufacturing, supply chain, business intelligence, and more, as Sage 200c uses the power of the cloud to unleash the growth of your customers' businesses.

With Sage 200c's new features your customers can:

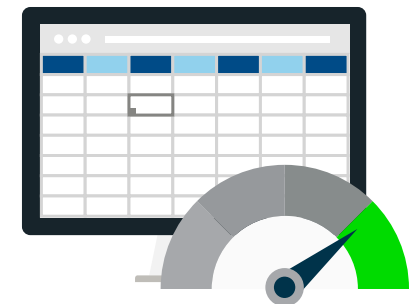

Manage on the move

Connected User combines the power of desktop and the freedom of the cloud so your customers can access, manage, and share their data wherever they are.

Fast track financials

Cutting out the tedious task of re-keying bank payments will allow your customers to relax as transactions flow seamlessly into their accounts with Sage Bank Feeds.

Boost productivity

Enable your customers to perform analysis with automatically formatted, neatly presented data within a single click, and in the familiar environment of Excel.

Expect regular releases and more value adding features as we continually update Sage 200c with the latest technology **to help you and your customers' businesses grow.**
